

AUTOMATIC RENEWALS

will soon be here!

Starting January 2, 2018

What's changing:

- Items **eligible for renewal** automatically renew at 11:59 p.m. on the due date.
- Member notifications sent via email include a courtesy notice and a list of items only which were successfully renewed.
- Member notifications sent via text message only give notice a renewal is upcoming. For this reason, we recommend also opting in for email notifications.

What's staying the same:

- **The following items will not renew: Items on hold for another member, Quick Picks (7 day items), video games, toys, Launchpads and inter-library loans (ILLs).**
- Failure to return non-renewable items when due WILL result in overdue fines.
- Eligible items still renew a maximum 4 times.
- Loan periods are in 2 week increments (excluding Quick Picks and ILLs).
- Fines remain at 10¢ per item per day (excluding our youth reading material).
